UCSF School of Pharmacy
Department of Pharmaceutical Chemistry
November 2014

CHAIR
James Wells, PhD

ADMINISTRATION
Milo Maui Pasquini
department manager

FACULTY

VICE CHAIRS
William DeGrado, PhD
John Gross, PhD
Susan Miller, PhD
Paul Ortiz de Montellano, PhD

Education programs

• DEGREE PROGRAMS
  • PharmD
    Sharon Youmans, PharmD, vice dean*
  • PhD in Bioengineering (BioE)
    Sarah Nelson, PhD, director*
  • PhD in Biological and Medical Informatics
    (Bioinformatics pathway) (BI)
    Patricia Babbitt, PhD, director*
  • PhD in Biophysics (BP)
    Matthew Jacobson, PhD, director
  • PhD in Chemistry and Chemical Biology (CCB)
    Charles Craik, PhD, director
  • PhD in Pharmaceutical Sciences and
    Pharmacogenomics (PSPG)
    Deanna Kroetz, PhD, director*
• POSTDOCTORAL PROGRAMS
  • Postdoctoral scholars
• INTERNATIONAL
  UCSF-Tsinghua University Collaborative Education
  and Research Program
  Kathy Giacomini, PhD, director*

Research programs, services, and facilities

• Antiobme Center
  James Wells, PhD, director
  Michael Hornsby, PhD, associate director
• National Bio-organic Biomedical Mass
  Spectrometry Resource Center
  Alma Burlingame, PhD, director
• Nuclear Magnetic Resonance Facility (NMR)
  John Gross, PhD, director
  Mark Kelly, PhD, associate director
• Resource for Biocomputing, Visualization, and
  Informatics (RBVI)
  Thomas Ferrin, PhD, director
  John “Scooter” Morris, PhD, executive director
• Sequence Analysis and Consulting Service (SACS)
  Thomas Ferrin, PhD, director
• Small Molecule Discovery Center (SMDC)
  James Wells, PhD, director
  Michelle Arkin, PhD, associate director, biology
  Adam Renslo, PhD, associate director, chemistry
• The technologies within each of these core facilities
  are advanced and improved by department faculty
  members and used by faculty members at UCSF
  and beyond to conduct their science.

*Not a department member

Many department faculty members are affiliates of the California Institute for Quantitative Biosciences-UCSF (QB3-UCSF) as well as
other interdisciplinary programs.
